**Subject: Notification of Address Change and New Smithers Global Headquarters**

Dear Valued Smithers Quality Assessments Clients-

On Monday, February 23<sup>rd</sup>, the Smithers Group and Smithers Quality Assessments division relocated to our new Global Headquarters at **3637 Ridgewood Road, Fairlawn, OH 44333**. This move is more than a change of address; it's a strategic investment in our future. By bringing many of our divisions together in one location, we have the room to scale and create a stronger foundation for teamwork, efficiency, and ingenuity.

- No action is required of you at this time.
- Your certificates remain valid and in good standing.
- Smithers Quality Assessments team member emails and phone numbers remain the same.

Please use this notification to update your records, or forward to the appropriate contact person(s) within your organization.

If you have any questions, please contact me directly at your convenience. Thank you for being a Smithers client, and we look forward to being of continued service to you.

Sincerely,

Scott McDonough
